

# Sport Court® Lighting Systems

SPORT  
COURT®

Made in the U.S.A.

"Sport Court® lighting systems illuminate your court with a broad range of lighting options adding hours of fun to your day."

## Bring the Championship Home

Play a tennis match on a cool summer night or a game of hockey on your backyard rink on a brisk winter evening.

Our lighting systems are part of an integrated system of components that are all designed to work together on your court. Lights also function as the net pole to accommodate more sports like volleyball, badminton, short-court tennis, Pickleball®, paddle tennis, wacketball and more.

Illuminate your court with a broad range of quality lighting options.

With Sport Court Lighting Systems, you'll see every play.
